AERIAL VIEW OF EXISTING GREGGS BAKERY SITE

DEAR NEIGHBOUR,

I am writing to introduce London Square, who are reviewing opportunities for the redevelopment of the Greggs Bakery site between Crane Road and Norcott Road, which is now surplus to Greggs' operational requirements.

Working with award-winning Assael Architecture, we are preparing proposals for the site and would like to invite our neighbours to a public exhibition on **Monday 3** and **Wednesday 5 December 2018**, further details are included overleaf.

In addition, in order to understand your views and aspirations ahead of the wider consultation, enclosed with this newsletter is a short survey that we would be grateful if you could complete and return.

We are committed to working with local residents and stakeholders throughout the development of our design proposals. We hope that you are able to attend our public exhibition and we would be grateful for your feedback.

If you have any questions or would like to know more about the proposals, please contact Cascade Communications, who are assisting us with our community engagement at consultation@cascadepr.co.uk or **020 7871 3565**.

Yours faithfully,
Mark Smith
